

Steel, Stainless Steel, High & Super Alloy-
Heat, Wear, Abrasion, Pressure & Corrosion Resistant
Castings, Spares, Replacement Parts, Custom-Made Components
Manufacturer-Supplier to OEM's, Plants, & Process Industry
Machined, Proof-Machined, CNC/VMC Precision Machined Components
Conversion to Castings from Fabrications, Forgings & Welded Assemblies
Engineering, Materials & Metallurgical Consulting

WH-76, Mayapuri Industrial Area
Phase-I, New Delhi 110 064, India

ACME® Custom Made Pump Spares

Impellers-Open & Closed Vane Type
Diffusers, Pump Body, Shafts
Plates, Glands, Sleeves, Bushes

OEM Substitute Replacement Parts in

Corrosion and Wear Resistant Alloys
Stainless Steels & High Alloys

Ni-Resist, Ni-Silal, High Chromium Irons, Ni-Hard

Steel, Stainless Steel, High & Super Alloy-
 Heat, Wear, Abrasion, Pressure & Corrosion Resistant
 Castings, Spares, Replacement Parts, Custom-Made Components
 Manufacturer-Supplier to OEM's, Plants, & Process Industry
 Machined, Proof-Machined, CNC/VMC Precision Machined Components
 Conversion to Castings from Fabrications, Forgings & Welded Assemblies
 Engineering, Materials & Metallurgical Consulting

Manufactured Alloy Range

USA Standard Specification
 or its equivalents in DIN, JIS, ANFOR, IS, BIS, EN

ASTM A 48/ A 48 M
 ASTM A 217/ A 217M
 ASTM A 297/ A 297M
 ASTM A 351/ A 351 M
 ASTM A 352/ A 352 M
 ASTM A 436/ A 436 M
 ASTM A 439/ A 439 M
 ASTM A 494/ A 494 M
 ASTM A 516/ A 516 M
 ASTM A 732/ A 732M
 ASTM A 743/ A 732M
 ASTM A 744/ A 744M
 ASTM A 747/ A 747M
 ASTM A 915/ A 915M

Talk to us of your pump and valve spares requirement and replacement parts. If drawings are not available, new replacement parts could be developed from a sample, old or used OEM part.
